## Directors

Shri Keshavji Vaghamshi

What started in year 2005 by Mr. Raghuvir Vaghamshi with procurement of first excavator machine and other resources; has been exemplified as a sheer example of hard-work, commitment, dedication and desire to grow – is resulted today as the most dependable earthwork company in the state of Vibrant Gujarat known as HARIOM Earthmovers & Transport (HEM).

In the year 2011, Mr. Keshavji along with his brother Mr. Raghuvir incorporated HARIOM Earthmovers & Transport in the Kutch region of Gujarat state; which has not only expanded by numbers and regional presence but also in true terms of experience, expertise and reputation in the field of earthwork & transportation.

Shri Raghuvir Vaghamshi

Today HARIOM Earthmovers & Transport is a trusted name for earthwork foundation engineering and infrastructure development with a primary focus on ground development for Roads, Railways, Ports, and Industrial projects.

As a young and vibrant company, we have gained merits in the industry because of our work commitment, trustworthiness, integrity and complete understanding of the market dynamics.
